## **FLATHEAD PROLIFE ENDORSES CI-100**

Flathead ProLife applauds this practical, common sense, approach to ending abortion in Montana and perhaps beyond. It is to our shame as a nation that, in the 35 years since Roe v Wade, over 48 million children have lost their lives to abortion, and countless women and families still suffer the life long effects of this tragedy. We agree with Representative Rick Jore that it is time to re-think our approach in combating this issue and we fully support CI-100.

More detailed information concerning this initiative can be found at the CI-100 website:

Flathead ProLife (FPL) is a non-profit, non-denominational, grassroots organization dedicated to the protection of all innocent human life from conception to natural death in the Flathead Valley and beyond. FPL is a local Chapter of Right To Life of Montana.

FPL seeks to inform and educate our community on local, state and national issues regarding the protection of human life, the tragedy of abortion, and related issues. We sponsor the annual March for Life each January, the Signature Ad in the Daily Interlake, the Pro Life Oratory Contest, and other events in the Flathead Valley.
